

## Future Events

A Message from Greg Diffen.

The European Studebaker Rally 2020 has been postponed until it is deemed safe to hold in line with UK government guidelines. Kristine and I will review it again later in the year. Since the planning has been done , re-scheduling will be easy at some point later in 2021.

Keep your fingers crossed.

One date we hope to be able to keep:-

12<sup>th</sup> September 2020. International Drive your Studebaker Day.
