

I have several NOS Avanti body parts for sale and one used one. All proceeds will go to support the Avanti House & Museum which I am creating in South Bend across the street from the Studebaker Museum.

- v2) Number 35—NOS Drivers Outer Door skin, has separate hole for lock, part number 1350033 \$175
- v3) Number 36—NOS Passenger Outer Door skin, does not have hole for lock, part number 1350033 \$175
- v4) Number 48 –NOS drivers side torque box or hog trough, even has bonding strips on it, \$750
- v5) Number 47-NOS part number 1358876 inner right cowl side panel with air vent support, I have 4 of these at \$125 each
- 6) Number 46—NOS Right Roof Rail, part number 1350990, \$75
- 7) Number 38 – NOS Right inner fender, part number 1358976, has round hole in it, rivets look like from rivet gun, \$150
- v8) Number 39 – NOS Right inner fender, part number 1358976, does not have round hole, maybe earlier version?, \$150
- v9) Number 43---NOS front deflector assembly, part number 1350039, tag says before body number 4892, \$175
- v10) Number 40—USED right or passenger door, appears complete less glass, regulator etc, \$250
- v11) Number 37—NOS cowl part number 1350915, has small cut out where one wiper would be, \$200
- v1) Number 34—NOS Drivers Outer Door skin, does not have hole for lock, part number 1350033 \$175
- v2) Number 35—NOS Drivers Outer Door skin, has separate hole for lock, part number 1350033 \$175
- v3) Number 36—NOS Passenger Outer Door skin, does not have hole for lock, part number 1350033 \$175
- v4) Number 48 –NOS drivers side torque box or hog trough, even has bonding strips on it, \$850**
- v5) Number 47-NOS part number 1358876 inner right cowl side panel with air vent support, I have 4 of these at \$125 each
- v6) Number 46—NOS Right Roof Rail, part number 1350990, \$75

- v7) Number 38 – NOS Right inner fender, part number 1358976, has round hole in it, rivets look like from rivet gun, \$150
- v8) Number 39 – NOS Right inner fender, part number 1358976, does not have round hole, maybe earlier version?, \$150
- v9) Number 43---NOS front deflector assembly, part number 1350039, tag says before body number 4892, \$175
- v10) Number 40—USED right or passenger door, appears complete less glass, regulator etc, \$250
- v11) Number 37—NOS cowl part number 1350915, has small cut out where one wiper would be, \$200

I also have the following fender parts where it appears someone has cut pieces out of them for repairing other cars. These were NOS fenders but currently should be considered patch panels only.

- v1) Number 31—Left front fender patch panel, full length, \$60
- v2) Number 32—Left front fender patch panel, full length, \$50
- v3) Number 33—Left front fender patch panel, full length, \$50
- v4) Number 41—Left front fender patch panel, rear of fender, \$30
- v5) Number 42—Right front fender patch panel, rear of fender, \$30
- Sold 6) Number 44—right front fender patch panel, front of fender, \$30
- v7) Number 45—Left rear fender patch panel, rear of fender only, has part number 1351223 on it, \$30

All of these parts are located in Saint Peters (St. Louis), Missouri. I make occasional trips to South Bend so could deliver there during one of my trips. I have pictures of all of these. Please reference my “NUMBER ??” when discussing so I we can make sure we are discussing the same part. Please remember proceeds go towards the Avanti House.

I can email pictures to you.

Please email me at [dlindner@mac.com](mailto:dlindner@mac.com) or call me on my cell 314-973-8686

I will be loading pictures on my website soon, [www.dlindner.com](http://www.dlindner.com)

Thanks, Don Lindner
