

The Presidents Thoughts

Hi All,

We welcome you all to this New Year and look forward to the events in store. The primary one which Kristine and Greg have been working on for some time will follow in the next pages, and involves spending time in and around the university City of Cambridge on the Scholars Tour in May 2020.

Now for those of us who are more inclined to support the Oxford blues in the annual boat race against Cambridge, this, like Brexit, is something we will have to adjust to. Rosemary has long expressed the idea that we should take the broader view and visit the second most important educational seat of learning in the UK. Who am I to withhold this opportunity from her? (Bill and Rosemary live near Oxford University and there is a lot of rivalry between Oxford and Cambridge)

May I recommend this opportunity to get an insight into the life of an undergraduate. We are halfway there with our outrageous cars so bring your own plonk and view this as an opportunity to wear those outrageous Studebaker / Packard shirts etc left hanging in the wardrobe for years. In other words- Sign up to the European Rally hosted by the UK club and let's have fun.

Keep the wheels moving,

Bill
